**Important! Read the following terms carefully before installing, copying and/or otherwise using ABBYY® FineReader® PDF for Mac (hereinafter referred to as "the SOFTWARE"). Installing, copying or otherwise using the SOFTWARE indicates Your acceptance of these terms.**

This End-User License Agreement (hereinafter referred to as the "EULA") is a legal agreement between You, the end user, who obtained or uses the SOFTWARE, and ABBYY.

This EULA comes into effect when You demonstrate Your consent to be bound by its terms by selecting the "I accept the terms of the license agreement" button followed by selecting the "Next" button and installing the SOFTWARE, or when You install, copy or start using the SOFTWARE in any other manner. Any such act is deemed to demonstrate Your acknowledgment that You have read this EULA, that You understand it and agree to be bound by its terms. If You do not agree to the terms of this EULA, do not use the SOFTWARE and disable, remove it from Your system, and destroy any copies of the SOFTWARE in Your possession. This EULA is binding for the entire period that You use the SOFTWARE unless otherwise stated in this EULA or in a separate written agreement with ABBYY.

The SOFTWARE is protected by copyright laws and international treaty provisions and some portions are protected by patent and trade secret laws. You agree that this EULA is enforceable like any written negotiated agreement signed by You. This EULA is enforceable against You.

If a separate written agreement with regard to the SOFTWARE has been concluded with ABBYY, then, in the event of any discrepancy between that agreement and this EULA, the terms of the separate agreement shall prevail over any inconsistent term in this EULA. Any terms and conditions contained in Your purchase orders or other documents shall not modify this EULA or expand ABBYY's obligations hereunder.

The EULA may be available in different languages. There may be inconsistencies or differences in interpretation between the English version of the EULA and those EULAs made available in other languages. For the sake of uniformity and to avoid any ambiguity, the English version of the EULA shall govern in all disputes, claims or proceedings to interpret, enforce or otherwise relating to the EULA.

- 1.1. Subject to the terms and conditions of this EULA, ABBYY grants to You a limited, non-exclusive License to install and use the functionality of the SOFTWARE subject to all restrictions (limitations) and the scope of the License as may be provided by this EULA, the software and/or hardware license keys provided by ABBYY, the SOFTWARE, and/or a separate written agreement between You and ABBYY or an ABBYY Partner, and/or the documentation accompanying the purchase. In this case, the separate written agreement between You and the ABBYY Partner may not exceed the scope of the license granted and restrictions specified in this EULA and/or in the separate agreement with ABBYY, and/or impose additional duties on ABBYY. The ABBYY Partner's documentation accompanying the purchase of the SOFTWARE may not contradict the terms of the EULA, the separate agreement with ABBYY and ABBYY's written documents concerning the terms of use and/or purchase of the SOFTWARE.

All of the provisions stated herein apply to both the SOFTWARE as a whole and to all of its separate components and end-user documentation with the exception of the third-party software included in the SOFTWARE, which is covered by its own license terms as specified in article 15. Any issue with respect to the scope of Your License shall be construed in favor of the restrictions on the scope of Your License. Restrictions on Your use of the SOFTWARE and the scope of Your License may include, but are not limited to, the following:

- 1.1.1. Number of Computers, individual users and network access. The scope of the License acquired by You may restrict the number of Computers on which You may install and use the SOFTWARE, the number of individual users of the SOFTWARE, and network access and depends on the type of License acquired by You. The type of the License acquired by You is specified in a separate agreement between You and ABBYY or an ABBYY Partner and/or in the documentation accompanying the

purchase of the SOFTWARE..

- 1.1.1.1. If the type of Your License is “Single user license” / “Standalone” and You are an entity, You may install and use the SOFTWARE on one Computer unless otherwise stipulated in the EULA, in a separate agreement with ABBYY or in any ABBYY’s documentation accompanying the purchase of the SOFTWARE. If the type of Your License is “Single user license” / “Standalone” and You are a natural person, You may install and use the SOFTWARE on one desktop Computer and on one portable Computer (laptop or other portable device on which the SOFTWARE can be installed and used according to its system requirements) owned by You. You may not use the SOFTWARE on both Computers simultaneously. At any given time, You may either use the SOFTWARE directly on a Computer on which it is installed or access the SOFTWARE remotely via remote access from only one Computer.
    - 1.1.1.2. If the type of Your License is “Per Seat”, You may install and use the SOFTWARE on as many Computers owned by You as the number of Licenses You acquired. At any given time, You may access one installed copy of the SOFTWARE from only one Computer unless otherwise specified in the EULA, in a separate agreement with ABBYY or in the ABBYY’s documentation accompanying the purchase of the SOFTWARE.
  - 1.1.2. Processing volume. The number of volume units (e.g. pages, words, symbols) that may be processed with the SOFTWARE, if it is stipulated in the License, may be limited in one or more ways, such as limitations on the number of volume units that may be processed within particular time periods, such as monthly or annually, or on the overall number of volume units that may be processed. The size of a page or other volume unit and the number of processor(s) cores used for processing may also be limited.
  - 1.1.3 . Duration. Use of the SOFTWARE may be limited to a specific period of time, if it is stipulated in the License or in a separate agreement with ABBYY or an ABBYY Partner and/or in the documentation accompanying the purchase of the SOFTWARE. The SOFTWARE may not be used after the expiration of such time period.
    - 1.1.3.1. If You acquired the SOFTWARE on a subscription basis, then, in addition to the restrictions set forth in articles 1.1.1, 1.1.2, and 1.1.3 , the following restrictions apply. You may use the SOFTWARE for a limited subscription period. Your subscription period may renew automatically until You cancel Your subscription. After the expiration of Your subscription period, the functionality of the SOFTWARE will be no longer available or will be limited until You make a payment to renew Your subscription. Additional terms and conditions for use of the SOFTWARE on a subscription basis may be set forth in an additional agreement between You and ABBYY or ABBYY Partner, which you shall accept before obtaining (purchasing) the SOFTWARE on a subscription basis.
- 1.2. You acknowledge that the SOFTWARE is protected from unauthorized copying and unlimited use and may include a Serial Number providing for such protection and You accept the SOFTWARE subject to all such protections. Your Serial Number may require Activation and the number of Activations available to You may be limited. Additional Activations may be requested by contacting the ABBYY technical support service during the whole period of technical support duration for the version of the SOFTWARE, which you acquired (purchased), as set forth in article 7. Upon expiration of the technical support duration of the acquired (purchased) SOFTWARE version, additional activations may not be available.
- 1.3. All rights not expressly granted to You by the EULA are reserved by ABBYY. This EULA does not grant You any rights in connection with any trademarks of ABBYY.

- 1.4. If Article 16.6 applies and You are a natural person, You may use the SOFTWARE worldwide. If You are an entity, You can obtain (purchase) the SOFTWARE in the countries listed in the Article 16.6 only if You or Your branch and/or representative offices are registered in these countries, unless otherwise agreed in a separate written agreement between You and ABBYY. The employees of the entity or of its branch and representative offices may use the SOFTWARE worldwide, provided the SOFTWARE has been obtained and installed in the country where the entity or its branch and representative offices are registered.
- 1.5. Any use of the SOFTWARE or its component parts outside of or in contravention of the terms and conditions of this EULA shall constitute a breach of ABBYY's and/or third parties' Intellectual Property Rights and shall give cause for the revocation of all rights to use the SOFTWARE granted to You under this EULA.
- 1.6. If You deploy and/or use the SOFTWARE in a virtual environment, including, without limitation, by means of VMware, Citrix, the access to or use of the SOFTWARE may in no way exceed the restrictions on the SOFTWARE or the scope of the License that has been granted. For instance, one and the same Serial Number may not be used to permit use or access to the SOFTWARE in a virtual environment by a number of Computers that is greater than the number of Computers for which a License has been properly obtained, nor may the SOFTWARE be used to process more than the total number of volume units allowed by Your License.
- 1.7. You may receive the SOFTWARE on more than one medium (multiple-media SOFTWARE), including downloads over the Internet. Regardless of the quantity or type of media You receive, You are only licensed to use the SOFTWARE in accordance with the scope of Your License.

- 2.1. All terms of use and limitations governing the use of the SOFTWARE are stated in this EULA, unless additional terms of use or limitations are stipulated in a separate written agreement between You and ABBYY or an ABBYY Partner or in other documentation accompanying the SOFTWARE, provided that the ABBYY Partner's agreement and documentation may not impose additional duties on ABBYY.

Such transfer may not be by way of consignment or any other indirect transfer. The transferee of such one-time transfer must agree to comply with the terms of this EULA, including the obligation to not further transfer this EULA and SOFTWARE. You must uninstall the SOFTWARE from Your Computer(s) or from Your local area network in the event of such SOFTWARE transfer.

If the post audit verified records reveal an omission greater than five (5) percent from the SOFTWARE license fees submitted by You and the license fees due, You will, in addition to paying the difference in license fees, also reimburse ABBYY's auditing expenses.
